Sprint 1 Report

Delish, Foodiez, 10/27/2020

- Actions to Stop Doing
  - Find more concrete times everyone can meet during the week.
  - Have a more structured approach to scrum meetings
- Actions to Start Doing
  - Be more consistent with scrum meetings
  - Be more conservative with how many user stories/story points we denote for each sprint
  - Organize tasks more efficiently
- Actions to Keep Doing
  - Talking about our progress
  - Communicating issues we are running into
- Work Completed/Not Completed
  - We set up the basic website, menu bar, title for the display
  - We acquired the necessary API key for Gmaps API
  - Figured out how to run basic requests/searches to the Places API
- Work Completion Rate
  - 13/13 story points, 100% completion for this sprint. (Re-structured sprint backlog in the middle of the sprint to better allocate story points across each sprint).
